

# FIRST UNITARIAN CONGREGATIONAL SOCIETY BROOKLYN

A UNITARIAN UNIVERSALIST CONGREGATION

Whereas the mission of The First Unitarian Congregational Society in Brooklyn calls to “Care for one another”, the board of Trustees has adopted the following policy regarding use of the Church building during the COVID 19 pandemic.

1. Require that everyone who is unvaccinated remain home and invite them to participate in worship on-line. Children under 12 are exempt, until they can be vaccinated.
2. Require face masks in the Sanctuary for everyone, including children over age 2. This message will be in the Order of Service and part of the welcome script during the service.
3. Require that everyone participating in worship including RE, the choir, speakers, etc., be vaccinated and provide proof of vaccination.
4. For now, no coffee and no food inside. Fellowship hour will be held, with participants masked and no coffee or snacks.
5. Committees and groups of more than eight people should continue to meet on-line whenever possible. This number, as well as these other policies, may be revised upon the recommendation of the Covid team.
6. All staff must be vaccinated, no matter their employment status (parttime, full time or 1099), and show proof of vaccination before September 12th, so we can include a copy of their card in their personnel files.

Adopted by the Board of Trustees, August 26, 2021
