Lisa Pacenza has been a member of the First Unitarian congregation for almost 18 years, and currently serves as Treasurer of the Women's Leadership Alliance. She represented First U as a delegate to the virtual UUA General Assembly in 2021, and recently became a Head Usher. She's been active on her coop board for nearly a decade, including roles as President, Treasurer, and Secretary. Lisa works in strategic marketing and communications in the professional services industry.

Beth Evans has been a member of First Unitarian of Brooklyn for over thirty years. She raised her four children in the congregation and is proud to see them living and practicing the UU values they learned here. She has contributed to the congregation in many ways, including building the next generation with the religious education program, celebrating half of humankind in the Women's Leadership Alliance, knitting with the Crafting Ministry, and exploring spirituality with fellow congregants in monthly meetings with Rev. Ana. She has also served on the Leadership Development Committee, spearheaded the reorganization of the Library, and most recently worked with the Technology Team. In this role Beth has been honored to serve as one of the Zoom services hosts and is preparing to learn the streaming production side of online services. She looks forward to retirement in a few years when she knows she will be happy to contribute more and have more time for her creative writing, but in the meantime, she continues working as an academic librarian, finding time for friends and family, and looking more deeply into what it means to live a life of value.
