The First Unitarian Congregational Society in Brooklyn is a joyful, caring, religious community that inspires and empowers people to Grow spiritually, Care for one another, and Work for justice and stewardship of the earth.

Hello! I am your new Executive Manager of Building & Events for First Unitarian, and I am both honored and excited to join the wonderful staff and team for this growing and committed congregation. I look forward to wearing a few of Garnett's hats while I manage events, expand community relations, and oversee facilities. I have a history of wearing several hats myself. I have practiced complex civil litigation; helped start-ups with intellectual property and employment issues; served as a Landmark Commissioner to preserve historic properties and districts; turned a farm-to-table dinner into an award-winning food and wine festival, while directly benefiting the farming community; and most recently consulted to a gender equity non-profit that had acquired a historic building as their new headquarters. I also

came \*this\* close to getting into the Guinness Book of World Records for the Most Pancakes Made By A Team, but a freak ice storm thwarted our efforts; come say hello in the staff offices and I'll regale you with the tale.

You will find me in the offices Tuesdays through Saturdays (on a flexible hybrid schedule, depending on events). I will be routinely working with Committees for Facilities, Technology, and Green Initiatives, as well as with focused task groups, such as website redevelopment, and special projects, like the annual auction. If you have any ideas or questions, please feel free to email me at [renee@firstubrooklyn.org](mailto:renee@firstubrooklyn.org).
